EVENTS

January - June 2012

### First Saturday of the Month

The first Saturday of every month is a great opportunity to try seasonal wines from our fabulous range. There is no charge for these tastings and each shop will have 6-10 different bottles open. Our knowledgeable and enthusiastic staff will be delighted to talk you through the wines and answer any questions.

### Food & Wine Events

We're extremely passionate about food as well as wine and we believe that combined the end result can be greater than the sum of their parts. We have a range of fun and informative events designed to showcase perfect food and wine matches from Tasting and Tapas evenings to more formal food and wine pairing workshops and supper clubs.

### Producer Tastings

Great wines need great winemakers and these tastings are focused tastings highlighting the wines or estate of particular producer who deserves the limelight. Invariably the producer themselves will be on hand to present their wines.

### Master Classes

For those who wish to delve a little deeper into the world of wine here we focus on specific regions, styles and grape varieties. This is a more formal event with the emphasis on education and information with limited places available.

### Special Events

As well as our big Easter & Christmas tastings we have formats such as our popular 'Head to Head' events where two members of staff representing two different wine regions battle it out to see which region will triumph as voted for by our guests.

Please see our website for up to date information and further details of all our events.
